

## A Christmas Coffee

Villa Bellissimo along with Master Chef Antonia Coronada invite you to Sicily where you will be immersed in the art and passion of Italian culinary delights. Sarah Cooper is still trying to find her place in the world after her husband died two years ago on Christmas Day. When her parents give her an early holiday gift, it may be just the opportunity she needs. Parker Matrone is the founder and CEO of the billion dollar company, Coffee Grounds. There's something about Sarah he can't resist, but he's been burned before and is now raising his two young sons alone. Will they decide loving again is worth the risk? And what of the antique Christmas quilt beneath which Sarah dreams of Christmas past, present, and future? Come explore Italy in this Christian Christmas romance where dreams do come true and life begins anew.
