

SWEET ANTICIPATION

This book was previously published several years ago and has gotten new life as an eBook. I hope you enjoy this classic love story from me and be sure to visit our author site at www.thethrillofsuspense.com where you will find our latest Young Adult, New Adult and Romantic Suspense novels added since 2012. Lauren Nelson was expecting a baby. What she wasn't expecting was a man in her life. When the lovely widow decided to go through with the artificial insemination she and her husband had planned, she thought she had everything under control. She had carefully selected the donor for his intelligence, his character, his similarity in appearance to her husband and his anonymity. But a mix up in the lab casts doubt on whose sperm was actually used, and suddenly there was a possibility there was a very real man involved who wanted the child as much as Lauren did. He just doesn't want Lauren. And she doesn't want him. With her deceased husband still very much alive in her heart and her thoughts, she wasn't ready to fall in love again. All she wanted was to create a wonderful life for her child and to have a successful florist shop. But Dr. Jordan Daniels doesn't cooperate. In fact, nothing he does fits into her carefully planned pregnancy. And worst of all, he won't go away. **AUTHORS NOTE:** This book was written because my readers demanded it. After the controversy of an earlier book, **PASSION AND POSSESSION**, the feedback from my fans inspired me to write this book about two compelling, but stubborn people who have their whole lives planned...except for the tiny twist of fate that binds them forever. I'm confident this book will satisfy even the most critical of my readers. Enjoy! **REVIEWS:** **RENDEZVOUS** - A wonderfully tender and fulfilling love story. Don't miss it. **ROMANTIC TIMES** - (4-) Ms. Clark handles the tricky plot with exquisite
