Do Not MISS The Sale Price! 99c For Less than 24hrs(2.99 Reg)! ***A Complete Novel With NO CLIFFHANGER***

Shenice Washington was never a stranger to drama. After her husband had left her and her daughter Rachel at the tender age of three, this strong independent woman knew how to take care of herself. Working several jobs while trying to put herself through nursing school she finally graduated with her degree. Dr. Roger Stewart, was one of the top ER surgeons at the hospital he worked at. Always putting his patients first, Roger was known to have a caring heart, versus the common cold sterile attitude of most doctors. Through a tragic accident these two crossed paths, but their bond grew far greater than either of them could imagine. While Roger could never save LaShawn, his childhood sweetheart, he has a chance for redemption again when an injured Rachel comes into his ER. Will a tragic accident bring these two closer and show them the healing power of love? Will Roger finally be able to redeem himself?
