

Visioneering: Gods Blueprint for Developing and Maintaining Vision

God has crafted a unique vision for each of our lives, a voyage of great discovery filled with fantastic riches that are imbedded in the very journey itself. Yet few know where to begin this journey and fewer still know the questions to ask to get them on their way. With warm, down-to-earth practicality, Andy Stanley explores the ordinary life of Nehemiah and his vision for accomplishing the extraordinary. The astonishing concepts learned from Nehemiah are described in this practical guide that provides the direction, motivation, and encouragement for rising above the ordinary and realizing the unique vision that God has for you and you alone. Visioneering Drive Time Audio is a rare, life-changing work that speaks to the desire of every heart.
