

Visualizacion creativa (Spanish Edition)

La autora nos enseña a utilizar la imaginación creativa, una facultad natural que todos poseemos, de un modo cada vez más consciente, como una técnica para crear lo que verdaderamente deseamos. La visualización creativa es la clave de acceso a todos los dones que el universo nos ofrece. / Creative Visualization... An introduction and workbook for the art of using mental energy to transform and greatly improve health, beauty, prosperity, loving relationships, and the fulfillment of all your desires. Famous teacher Shakti Gawain provides easy-to-follow exercises, meditations, affirmations, and other techniques to tap into the natural goodness and beauty in all of life - to make positive ideas and concepts a total reality. Thousands of readers are already using this book to explore and discover their conscious connection with their higher selves, and are making dynamic changes in their lives. With Creative Visualization you too will seem to work miracles ... and you truly will be.
