

## Wanderer

BACHELOR - First impressions sure are deceiving! I was positive Leah Marshall was a snob--after all, shes one of the Marshalls here in Marshallton, Tennessee. She looked down her nose at me, with my scraggly hair, ragged clothes and hobo friends. If she knew the truth, shed be shocked, but thats my secret.... - BACHELORETTE - No one was more surprised than I was when Judd Barnett worked his way into my heart. Now here I am, involved with a vagabond whos hardly suitable for marriage and fatherhood, as my biological clock ticks away. Marshallton is a small town--people are talking. Imagine what theyd say if they knew Im carrying his baby! But thats my secret, and no one--including Judd--must ever know..
