

Warming Up Sebastian (Birds of Prey Book 3)

Sebastian has been tossed into the thick of a war between the Birds of Prey and Blood Demons. He's heard it all about fate, destiny, and this is how it's going to be. Oh, hell no, it isn't. Sebastian has his connections and will use them to help him and his mate Wren solve the problem of the mate's loss of freedom. Wren has been drawn to Sebastian since he laid eyes on him. Hurt by Sebastian's refusal to even be near him, Wren feels at a loss of what to do until he follows Sebastian one night. Wren discovers that Sebastian may have been in this world a lot longer than they all ever knew.
