

## The Mute Monk: A Short Story

The Mute Monk is a captivating new parable that will have you contemplating themes of grace, forgiveness, memory, and fate long after you've finished reading. Praise for the author: A lot of pastors, preachers, and spiritual teachers are talking a lot about communicating in unexpected and effective ways, but Jake Bouma is one of the rare people who is actually doing it. His writing is clear and compelling and enduring; you'll be thinking about his parables and metaphors long after you've read them. Repeat his stuff if you're smart, but if you're truly courageous, you'll let him inspire you and encourage you to teach in a way that will surprise your listeners and yourself.
