What Does Yesterdays Miracle Mean to Your Life Today? They apply to us today, as Jesus is still turning water into wine, still making his presence known, still breathing the miraculous into the world from within the mundane. You Are Invited So come back to the wedding in Cana and gaze into the faces of those present but don't be surprised to find your own story mirrored there. For in this story are truths poised to cross culture and time, finding their way deep into your daily life.
