

## Wedding Tales: Book Two: Honeymoon Caper (A Rebecca Butler and Khalil Khoury Novel)

Wedding Tales, Book Two: Honeymoon Caper, brings together all the Tales that were not told in their entirety in Wedding Tales, Book One: Loves Journey. As Wedding Tales, Book One Loves Journey ends, Rebecca Butler and Khalil Khoury have just been married and are now in New York City planning to get a flight to Bermuda in the morning. They are caught in one of the worst blizzards the East Coast has had since the 1920s. Will this be where they will spend their honeymoon, or will the snow abate and allow them to get their flight to Bermuda? Will they even be able to get to the airport? Wedding Tales, Book Two, Honeymoon Caper reveals what happens to the Hardineans, Khalil Khourys ancestors, through the stories the Khoury family wedding guests tell while snowed in at the Fitzgeralds. Does Maryas death influence the family to leave their beloved village and go to America? Or do they have to undergo even greater hardships before deciding to forsake their homeland? Learn what happens to Rebeccas ancestor as Karl Kringle, Jr. sails across the Atlantic on his first trip outside of his provincial village of Wattenscheid. What happens to the rest of his family? Is it safe for them to stay in the only home they have ever known now that the evil Viktor von Schumacher is in jail? Or, will he figure out how to get vengeance even from prison? You will be swept up in three unique cultures and three different times as you read how these people overcame treachery and shocking events to gain the strength and confidence to make life-changing decisions. You will be amazed at how closely the events that occurred more than a century before resemble what we read about in the daily news or experience in our own lives. You will resonate with their joys and sadnesses, hopes and faith. But can you act the way they acted in face of the prejudices and struggles.
