

Wet (Whispering Cove Book 2)

A look, a kiss, a taste of melted chocolate... Whispering Cove, Book 2 Celebrity chef Kathleen Wilson has returned to Whispering Cove for her high school reunion. Tired of big-city life, shes looking forward to relaxing in the quaint fishing village. The one thing shes not looking forward to is facing the boy from her past. The boy she turned her back on ten years ago. The same boy she has never gotten over. Firefighter Trent Parker has never given up on reuniting with his Katy. When he hears shes back in town, he figures the quickest way to show her where she really belongs is to launch an all-out, blatant campaign of seduction. An accident with a fire hose leaves her soaked and ignites a firestorm of need in them both, with only one way to extinguish the flames. Soon theyre burning up the sheets, but when morning comes and the smoke clears, Katy faces a choice she never thought shed have to make again. To leave for another ten years or admit that the heat between her and Trent isnt about to burn out. This book has been previously published. Warning: A dash of chocolate, a celebrity chef and a sexy firefighter who knows as much about starting a fire as how to put one out.
