

What About Love? (What About... Book 2)

Book Two in the What About... Series

They say leopards don't change their spots, but can the love of God change the leopard? Patrick sure hopes so, because if he can clear up all the issues from his past, he might have a shot with the girl on the praise team. But will people ever stop thinking of him as Junior and begin to see him as a new man in Christ? Katrice has found the love of her life in Desmond, but a rumor threatens to undermine the trust between them. Should she confront her beau or wait until he confesses...if the rumor is true at all? Montrel has had enough of his greedy wife, Glenda, but before he can make good on his ultimatum, Glenda pulls a few tricks from her sleeve. Is it time for them to call it quits? This sequel to *What About Mommas House?* will take readers deeper into the lives of three siblings who are groping for answers in a world that doesn't always play fair. Filled with inspiration and humor, this novella will point toward the glorious love we have in Him. Book 1: *What About Mommas House?* Book 3: *What About Tomorrow?*
