

## Born Again To Rebirth

Gabriel D. Roberts is a writer to watch and in *Born Again to Rebirth* he shows us why. This is a terrific book at many levels. Part searing indictment of the born-again Christian establishment by a former insider, part revelation of a personal journey into and out of hell, part surgical expose of the hidden roots of the hatred, fear and suspicion that divide our world, part return to the source in the understanding that unconditional love, unconditional forgiveness and a willingness to seek the truth without compromise are the only real signposts on our path to self-redemption. As an added bonus its a good read! Roberts uses language beautifully with no wasted words. I raced through *Born Again to Rebirth* in a sitting and I predict youll do the same. - Graham Hancock, author of *Fingerprints of the Gods and Supernatural*.
