

Reluctant Father

New York Times bestselling author Diana Palmer brings readers back to the range with a reader-favorite tale of love, family and cattlemen! Blake Donovan has one nemesis love. He's spent so many years building a wall between himself and the outside world that he doubts anyone could ever thaw the ice around his heart. But he gets the surprise of a lifetime when a little girl with his green eyes shows up on his doorstep. He's a daddy! What's a rancher to do? Little Sarah is accompanied home by Meredith Calhoun, who isn't so eager to see Blake. Although she was once a thorn in Blake's side, Meredith is now a stunningly beautiful woman. She's spent time away from home and matured, becoming a successful author. But can she melt Blake's hardened heart to create a forever family with the man of her dreams and his newfound daughter?
