

Animal Attraction (Animal Magnetism)

Sunshine, Idaho, is a quiet ranching town that provides a perfect refuge for injured animals ... and sometimes, people. And veterinarian Dell Connelly suspects there's a reason his clinic's uber-efficient receptionist has taken shelter here. Jade Bennett couldn't be happier to escape her well-meaning but smothering family and their expectations, not to mention the big-city jungle. There's nothing like working with animals, having a forlorn, grumpy stray kitten make its home under her desk ... or enjoying the gorgeous views of her ruggedly sexy boss to help her forget her past. But Dell's seductive, alluring ways have sparked an uncontrollable desire, one Jade hadn't expected to feel again. And though Dell has never had time for love, Jade's strength and sass is the kind of call no red-blooded male can resist.
