

What She Really Wants for Christmas (Mills & Boon Blaze)

What would you do if you hit the jackpot? Thanks to a spectacularly bad ex-boyfriend, Liza Skinner is in one heck of a mess. She's lost not only her amazing job at Atlanta's hottest TV talk show, but also her best friends and her share of millions of lottery bucks! Frankly, a blackmailing ex is the cherry on Liza's misery sundae! But then an unexpected date with Dr. Hunky-Hunk, Evan Gann, turns Liza's life around again, especially when she suspects the good doctor is quite a bit naughtier than she first thought. So that whipped cream from her sundae might come in handy for those sinfully delicious nights. Nights that will end for certain if Evan discovers what she's been hiding!
