Having spent years building up her business in the beef industry, it takes a lot of convincing from her friend to accompany her to the family ranch for a break. However, as soon as Brie meets hunky ranch hand Jake Holt, she realizes she might just have made the right choice. The two get to know each other better, but Brie soon finds out they have very different opinions on the work her company does. Throw a night of passion and a pregnancy in the mix, and Brie and Jack find themselves in real deep, real fast. Will they be able to navigate the tricky terrain before them and make things work? Find out in this emotional, steamy cowboy romance by bestselling author Tyra Small. Suitable for over 18s only due to sex scenes so hot, you'll need your own cowboy to round you up into the bedroom.
