

When Elvis Meets the Dalai Lama

A work by Murray Silver, the author of *Great Balls of Fire: The Uncensored Story of Jerry Lee Lewis* recounts his favorite stories of how he started out in life as a rock concert promoter in the late 1960s and ended up as a special assistant to His Holiness the XIVth Dalai Lama. A magical mystery tour of pop culture spanning the 50s through the 90s, with anecdotes about Jerry Lee Lewis, Elvis Presley, professional wrestler Harley Race, pornographer Gail Palmer, and the Tibetan Buddhist monks of Drepung Loseling Monastery. Never before published photographs throughout.
