

## When Opposites Attract... (The Barrington Trilogy)

When I want something, I find a way to make it mine. After a near-fatal accident, Hollywood hotshot Grant Carter never imagined returning to the equestrian world. But producing a movie about a racing dynasty means he has no choice. Luckily Tessa Barrington, star jockey, provides the distraction he needs: feisty attitude, stunning looks, and a surprising innocence he can't resist. Tessa won't give herself to just any man, especially a smooth-talking player like Grant. Once filming wraps, how can she trust hell stick around? He's already keeping secrets. Besides, Tessa has her eye on bigger prizes unless falling in love is the biggest prize of all, for both of them.
