

When the Spirit Moves

This moving collection of probing and sometimes humorous writing by Paul Leonard, author of *Music of 1000 Hammers*, *Inside Habitat for Humanity* and *Where is Church?* explores how faith, trust, love and commitment can lead us to live more meaningful lives. His work has a psalm-like openness to both the joys and struggles of life and reflects the wisdom gained from a life of servant leadership. This lyrical collection includes poems, essays, litanies and stories about family, friends and even a few dogs.
