

## Whisper (Mills & Boon Blaze)

Lawyer Genna Monroe doesn't mean to eavesdrop on a private romantic liaison one sultry night in New Orleans. When she hears the man's sexy whisper, though, she feels as if he's seducing her. Now she can't get his voice out of her mind, and just thinking of him isn't enough. She has to have his body, too. Nick Cavallo knows of his best friend's desires for a secret rendezvous, and is more than willing to fulfill them. He's wanted Genna for longer than he can remember, and who cares if their steamy nights need to be anonymous? Provided she never finds out the truth, he's happy and so is she. But when Nick wants more than just hot sex, he's not sure if Genna will want the man behind the voice.
