

Ties That Bind, Part 3

Is Arienne Chevalier, Lady Rienne to one and all, vicious? Undoubtedly. Is she wicked? Without a doubt. Is she evil? You can bet on it. But what made her the way she is today? The deep origins of her villainy may never be known, but how she climbed to power is a riveting ride. Told in snippets from the first moment Arienne met her own Chevalier man, witness Lady Riennes rise to power, and see all that she lost on her way to the top.
