

Suite Secrets (Suite Fantasy)

SUITE SECRETS When Rebecca interviews Sebastian Tennant, the charismatic businessman who created the super-secret Scimitar Hotel, she must step through the door of Suite 13 and surrender to what she finds. All three novellas feature likable characters in sensuous scenarios. What sets Maynard's work apart from others in this genre is that she develops her characters and plotlines to the extent that the reader cares about what happens outside of the bedroom as well as within it. Romantic Times Bookreviews **SUITE FANTASY** is sweet, indeed. Romantic, entertaining, and sexy enough to leave you wanting more! New York Times bestselling author Lori Foster
