

## Touching God

If you've ever felt like God was out there but just not within your personal reach, Touching God will change that perception. Author Harold J. Sala gathers his most heart-stirring writings on prayer one for every week of the year to lead you toward a better understanding of how near God actually is to your every thought and concern. No matter what your life experience has been up to this point, you can learn to be in closer connection with God ... close enough to touch.
