

## Line of Fire (Mills & Boon Intrigue) (Silhouette Intimate Moments)

The tall, dark and deadly Special Forces officer was everything Kimberly Stanton hated. But when she was abducted and dragged deep into the South American jungle, she came to understand the comfort a woman could take in having a man like him at her side. Tex Monroe's lethal power and combat-tested survival skills were all that stood between Kimberly and certain death. But maybe this man - so harsh one moment, so seductive the next - was the real danger here. Because he was making her dream of a tomorrow with him - when they might not live past today.
