

The Husband Show (Willing to Wed)

But is he here for the right reasons? She never thought she'd own a bar in the middle of nowhere, Montana. But to Aurora Jones, Willing seemed like a perfect place to disappear. That is until the producers came to film their marry-off-all-the-bachelors reality TV show. And then Jake Hove, long-lost brother of her friend's fiancé, arrived. Jake's well-known for his country-and-western band and ignites yet another round of excitement in a town already filled with single female tourists looking for love. Charismatic musicians are a dime a dozen, and Aurora left that world behind long ago. Can she keep her secrets and resist this vulnerable new father who wants more than she can give?
