Book 1 in Maggie Shaynes Bestselling Wings in the Night Series
The Thin Line between Love and Death
In two centuries of living death, vampire Eric Marquand had learned to live with the cruel fate that had condemned him to walk forever in shadow, forever alone. Then he found the woman he knew was meant for him and understood that to possess her was to destroy her. Against all reason, Tamara Dey saw clearly that her destiny was eternally entwined with Eric's and that she must not only accept but welcome the terror and splendor of the vampire's kiss. She trembled at the thought of spending eternity in his arms, but was her trembling born of desire or fear?
