

City Wolf 2 (City Wolf Trilogy)

Previously published. Book 2 in the series. Nita is jealous of her friend Zandrea when she finds a man that is everything she could ever hope for, and nothing would make Nita happier than if she were to find someone of her own. When not one but two men begin to pursue her, she doesn't know what to do. The less intimidating of the two, the younger, mysterious man, Deandre, might be the better choice. But Lucas will not take no for an answer when he spots the woman he wants in his bed. Despite being warned by her friends that Lucas is not what he seems and is too much for a gentle woman like Nita, she can't seem to stay away from him. Still, Deandre has plans for the sweet Nita, and he will do whatever is necessary to make her give him what he wants.
