

With Jesus in the Upper Room: Forty Gospel Reflections for Lent and Easter

This text presents six weeks of daily Bible readings, comments and points for reflection for Lent and Easter. The focus is a devotional study of the so-called Upper Room Discourses found in chapters 13-17 of John's Gospel, which record the conversation between Jesus and his disciples on the night before he died. The book takes a systematic study of a Bible passage rather than a thematic approach, and includes group study material.
