

With This Kiss

Dear friend, Where and when you least expect it...love is there. Revising these two stories was a pleasure--I hope you'll enjoy reading them. Wild And Wonderful In the rugged mountains of West Virginia, a green and blooming spring means that journalist and photographer Glenna Reynolds is always outdoors. Jett Coulson is captivated by her wildflower beauty--but the successful CEO knows his hard-driving ways won't win her gentle heart. The best strategy? Doing what comes naturally...Beware Of The Stranger Writing a small-town gossip column is pure fun. But Samantha Gentry, the daughter of a famous father, is keeping her identity a secret. Not for long. Investigative reporter Chris Andrews is checking her out. And Chris thinks that smart and sexy Samantha is one hot item... Remember when you first fell in love? Its time to get that feeling again. . . With love, Janet Dailey
