

Trusting His Rat (Wolves of Stone Ridge Book 24)

Jamie Stratton has never had a serious relationship in his life, hopping from bed to bed, waiting patiently for his mate. Having just hit the three hundred year old mark, the wolf shifter is ecstatic to meet Paolo Muccio. He and Paolo spend one glorious night together, but then Jamie learns of his mate's kink. Swamped by memories he thought buried centuries ago, Jamie panics and runs. Paolo can't believe his luck. Not only did wolf shifters rescue him, but when they take him back to their pack territory, he meets his mate. The icing on the cake, though, is the fact that Jamie is submissive. In his excitement, Paolo pushes too hard too fast, causing his mate to remember past hurts. Can Paolo not only track down his wayward mate, but prove to Jamie that he can be trusted in all things?
