

# A Professional Approach Series: Word 2000 Level 1 Core Student Edition

Word 2000--Level 1: Core from Glencoes Professional Approach Series equips students with the skills needed to successfully use Microsoft Word. An extensive array of exercises teaches and challenges students, while illustrations of screens and the accompanying icons help them to follow instructions for hands-on practice. Students gain real-world experience by performing many of the same tasks required in business settings. A comprehensive instructional package allows instructors to tailor the program to teaching styles, lab needs, student objectives, and student learning styles.
