

Wyoming Strong (Wyoming Men)

New York Times and USA TODAY bestselling author Diana Palmer returns with a fiery new couple! Wolf Patterson and Sara Brandon are archenemies from ages ago, but mischievous fate has brought the tall rancher with the pale blue eyes together with the dark-haired beauty on nearby Wyoming and Texas ranches. At first, sparks fly, but despite Wolf's misguided notions about the spirited Sara and her indignance over the assorted injustices he has thrown her way, a truce of sorts forms. Suddenly Sara notices Wolf's face, while not conventionally handsome, draws her like no other man has ever attracted her. And Wolf sees into the vulnerable soul that Sara hides from the rest of the world. They are two passionate people with a talent for falling out. Will love be the spark they need to create what they both want the most a family?
