

## X Marks The Spot

When Dexter takes a job at Cupid, Inc., a male hook-up website, he never imagined that he'd find the one man who'd been haunting his dreams--a handsome young Graduate Assistant named Zack who was advertising online for a date. Dexter's best friend Candy talks him into answering the ad, not as himself, but as X, a sexy, edgy young man who is nothing at all like Dexter. Will Zack find out that X is just Dexter, dressed up in sexy boots, leather pants and makeup? Will it make a difference? And will Zack and Dexter find their way to true love?
