

Xavis Wild Ride [The Men of the Crazy Angle Ranch 2] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Cowboy Romance, M/M, spanking, HEA] Xavi Diaz is on the run from his family. They want to send him to a retreat to cure his gayness. Hiding out at his grandfathers best friends ranch, he meets Trace Griffin. Xavi has been watching the huge farrier, but his extreme shyness prevents him from getting any words out. When Trace offers him a job, hes determined to not only speak to the man, but to get up close and personal. Trace loves his job placing himself under two thousand pound animals, shoeing their hoofs. He loves riding his big black motorcycle at high speeds. And he would also love to take Xavi into his bed for more than his usual one night of fast and rough. Can an extremely shy man, raised in a very religious family, take on a bad boy who likes living on the edge? Does he even want to? Watch Trace break through Xavis walls of protection and watch Xavi teach Trace patience. ** A Siren Erotic Romance
