

## Inca Destiny: Sweetly Romantic Time Travel Mini-Adventures (Eternal Time Shadows Book 14)

Inti enjoyed a peaceful life in the terraced gardens of Machu Picchu. The old king had died after eighty long years of life, and his two sons looked as if they would lead the Incan Empire into a new period of peace and prosperity. And then her beloved Otorongo came thundering up the road from the capital city, dark concern in his gaze ... Inca Destiny is Book 14 of a gently cliff-hangered short story series. The sequence leads up to a happily ever after ending. From Renaissance Venice to troubled Scotland, from the Civil War to the Wild West, Elizabeth and Robert find and re-find each other. The series is clean romance and is suitable for teens and up. Half of all authors proceeds benefit battered womens shelters. I would love your input as Im writing these - its your suggestions which will help guide the direction the story moves in! If you prefer to read your stories as one complete set, I will be offering the box set version of this once it is complete.
