

# You're Loved No Matter What: Freeing Your Heart from the Need to Be Perfect

How would your life be different if you truly believed you're loved just as you are? Holley Gerth poses this compelling question at the start of her latest book. As someone who has connected with thousands of women, Holley has seen the dangers of becoming trapped by impossible standards of beauty, achievement, and even spirituality. We believe if only we were perfect we could beat our depression, banish anxiety, and develop the relationships we long for most. Holley shares how God wants to set the hearts of women free by revealing the lies we believe and the scandalous grace and acceptance offered to us instead. When we know we're truly loved, the response is to love in return--and that changes everything. Bestselling author and every woman's best friend, Holley Gerth helps women lay down their unrealistic expectations so they can embrace who God created them to be, pursue his purpose for their lives, and offer the love they've been freely given.
