

Youre Smarter Than You Look: Uncomplicating Relationships in Complicated Times

Bestselling author and star of the #1 syndicated TV show, Judge Judy Sheindlin has ruled on hundreds of cases involving relationship disputes over the years. Now she shares her solutions to problems that plague many relationships today. Very different from what it was even twenty years ago, the traditional nuclear family now includes exes, ex-in-laws, merged families, stepchildren, friends from previous marriages and relationships, and even pets. This can create a complex web of relationships, easily becoming a knot in today's world. Judge Judy unravels these knots for everyone in a tangle. From the decision to marry to writing a will, Judge Judy tackles all the relationship issues that drive people crazy...and sometimes to court.
