

## Teenage Christian In The Country

Life isn't always easy when you're a TEENAGE CHRISTIAN IN THE COUNTRY. In this collection of six short stories, come to the quiet countryside and read about: **SHOWKID BLUES** When you need so much in so short of a time, it's easy to lose focus over the important things in life. Megan, a stock showkid at county fairs, learns that the best prizes to be won are sometimes what you had all along. **HEX SIGNS AND GREASE** Is the Sheridan farm vexed and will new Amish hex signs repel evil or draw trouble? Lindy Sheridan notices three strange men prowling outside at night. Are they friend or foe, she wonders, and what does the guy she has a crush on Tanner have to do with it all? **UNDERGROUND SECRETS** Jon Paul Jaden hates rules! Tired of others telling him what to do, he rebels against lying politicians and parents' bad laws. Determined to carve out his own identity, he stumbles upon a hidden underground world where he's anything but welcome. **SILVER WOLF** Anger and envy don't only make you feel bad, but siblings Tamberly and Mick find out how dangerous emotions quickly threaten to destroy what one loves the most. **THE FICKLE FAMILY** When Tony follows his dog into the woods, he discovers an ugly secret, but whose? Sometimes those you think you can trust, you can't, and often family turns out to be where you find it, not necessarily where you first believe it is. **ZOMBIE ATTACK** Masks reveal more than they conceal. That's the case at Gunnars masquerade ball at the barn. When danger erupts, it takes a strong Christian friend, if he has one, to save him from the zombies at the party.
