

## El Zohar XVI (Spanish Edition)

La sola lectura de El Zohar, a través de enseñanzas y relatos cargados de una fuerza vital impetuosa, modifica y transforma la vida de la persona hasta niveles sobre los que solo puede atestiguar y transmitir quien se ha prestado a esta increíble vivencia de Luz abrasadora. Rabi Shimon Bar Iojai y sus alumnos, fuera del espacio y del tiempo, analizan, investigan y desmenuzan los temas más profundos y herméticos de la existencia humana, y, en esta nueva entrega, incluyen un estudio sobre el secreto de las prohibiciones sabáticas del Shabat en la Tora y el Shabat y el Tabernáculo. / The Sabbath is one of the great mysteries of Jewish tradition. In this new volume, Zohar XVI refers to the secret of the Sabbath prohibitions and how to construct the Tabernacle, Scripture incorporates two passages with instructions pertaining to the Sabbath.
